

Trinity Evangelical Lutheran Church Youth Club Spring 2020

Spiritual Gardening: Growing In Christ

We invite your child to join us when our Saturday morning Youth Club resumes on February 15.

We meet on **Saturdays from 11am-1pm in Witzmann Hall** where we enjoy our lessons, games, activities, crafts and lunch.

Youth Club is for children in grades K-5. The cost is \$25 per child which includes materials and lunch.

Our theme this session is Spiritual Gardening: Growing In Christ. A growing plant is a good example of how Christians grow in Christ. Jesus used gardening in his parables. Just as plants need sunlight, water and fertile soil to grow a rich, healthy plant, Jesus gives us everything we need also to thrive like joy, peace and love. We will be growing and caring for a plant throughout our spring session.

We pray your child finds Youth Club a fun and rewarding experience. Food, fun, faith, fellowship, friends & field trips are what Youth Club is all about! Servanthood projects give us the opportunity to be engaged within our community and teaches the children that they have great value in God's kingdom even at this early age.

Here is what we have planned for this spring:
